SCHOOL'S IN FULL SWING

ENGAGED AND INVOLVED

We're now into the fourth week of school, and it's been great to see students settling into routines and engaging in the many activities that continue to start up across the school. From clubs to sports and everything in between, there's something for everyone to get involved in.

In this issue, you'll find quick updates from around the building as well as some important information specifically for our Grade 12 students as they begin to plan for life after high school.

COURSE FEES

Course fees are now available for payment through School Cash Online. Families can log in to view and pay any applicable fees for their student's courses. These fees help cover the cost of materials and activities that enhance learning experiences in specific classes. We encourage all families to check their School Cash Online accounts regularly and complete payments as soon as possible. If you have any questions or need assistance, please contact the main office.

STUDENT PARKING

A great big thank you – many of our student drivers have already come to the office to register their car and receive a parking pass! If your student drives to school and still has not registered and received a parking pass; please have your student driver pick up a parking pass form from the main office. Parking passes are limited.

HENRY'S GOT TALENT

Tickets are now available on School Cash Online for our entertainment packed evening. October 16th – come out and support our talented students and staff!

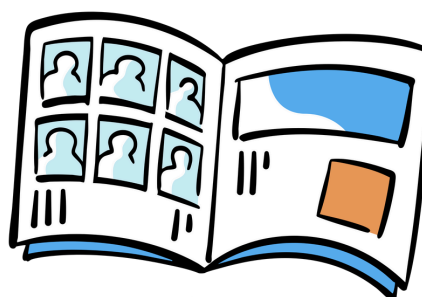

T-shirts and sweaters are available to pre-order now on School Cash Online. Also available for purchase at the show.
