BREAK'S OVER - GO!

We hope everyone enjoyed a restful and refreshing November Break. As we return, we're excited to dive into the second half of the semester. It's been a busy and productive first half, and things certainly aren't slowing down!

Winter sports season is just getting underway, and our teams are gearing up for an exciting lineup of games. We're looking forward to upcoming school productions and performances, as well as the Semi-Formal, our annual Holiday Food Drive and the Literacy Test—some of the many highlights that make this time of year so energizing.

Let's make the weeks ahead engaging, successful, and memorable for all!

OSSLT

The Ontario Secondary Student Literacy Test will be written by all eligible Grade 10 students on November 19th and 20th. The OSSLT will be written in the student's homeroom or Inclusive Student Services. The test format is 2 booklets; 1 booklet written each day. Successful completion of the literacy test is one of the requirements to earn an Ontario Secondary School Diploma.

Tennis

The 2025 Fall sport season has officially wrapped up with the completion of Tennis OFSAA last week.

Our tennis team had an outstanding season. It was certainly one the best seasons of tennis ever at the school. Here is a summary of the results:

LOSSA Tennis Finals: The Senior Girls team won the LOSSA championship!! Tvishi K.I won Gold in singles (qualified for OFSAA); Tiana M. & Naomi S. won Silver in doubles (qualified for OFSAA); Bella H. & Emma S-J. won bronze in doubles; Iris C. finished 6th in singles. In Senior Boys Vyom S. won Silver in open singles (qualified for OFSAA) and James A. finished 5th in singles.

OFSAA Tennis: Tvishi K. won bronze at the Girls Singles OFSAA finals in Newmarket. She fought off several match points in a three set thriller final match. That was her seventh match win in the tournament and fourth on finals day.

Congratulations to our amazing tennis players!

LEARNING IN ACTION

In grade 12 Biology the class simulated genetic recombination using hidden DNA codes to determine the offspring from 'Plastipigs.' A good time was had by all as they used the processes of DNA to create unique little creatures according to the results of their investigation. The class even had their creations pose for our Henry Street nursery photo!

The Grade 10 Science students have been busily preparing their STEM projects of building a periscope. Using some of the concepts of our Optics unit and self ingenuity there are many excellent examples of student achievement. Things are starting to look up (pun intended).

HSHS ANNUAL FOOD DRIVE

Hawks Athletic Council (HAC) is proud to host their Annual Food Drive.

This event has been incredibly successful in past years, thanks to the overwhelming support from our school community. With the help of Feed the Need Durham, we hope to once again make a meaningful impact and support many local families in need!

HAC will be visiting homeroom classes on November 24th to introduce the Food Drive and how the friendly homeroom competition will work.

Donation pick ups will be on Tuesdays and Thursdays between December 2nd and 16th.

We truly appreciate your willingness to contribute, and we thank you in advance for helping ensure no family goes without.
